3.0 ADMINISTRATIVE APPROVAL ELIGIBILITY

Answer the following questions by checking the box labeled either "Yes" or "No" for each question. All questions must be answered to the applicant's best ability and best knowledge.

QUESTION	YES	NO
3.1 Will the physical dimensions of the proposed wireless tower, including antennas and antenna mounts, cables, and any camouflaging, change in any dimension (height, width, depth) by more than ten percent (10%)?	<input type="checkbox"/>	<input type="checkbox"/>
3.2 Will the total equipment cabinets existing after the project is complete increase over the present number of equipment cabinets by a multiple <u>exceeding</u> two?	<input type="checkbox"/>	<input type="checkbox"/>
3.3 Will the proposed number of equipment cabinets and existing cabinets exceed four (4) in total?	<input type="checkbox"/>	<input type="checkbox"/>
3.4 Will the surface space occupied by the proposed project increase by more than ten percent (10%) over the surface space occupied by the existing project shown in the permit identified in Question 1.4 above?	<input type="checkbox"/>	<input type="checkbox"/>
3.5 Will the proposed project result in the removal of any existing camouflaging elements at the project site without the replacement of the camouflaging elements as part of the proposed project?	<input type="checkbox"/>	<input type="checkbox"/>
3.6 Will the proposed project involve any non-transmission equipment such as standby power generators of any type, site security devices such as cameras, etc?	<input type="checkbox"/>	<input type="checkbox"/>
3.7 Will the project, as proposed, exceed the FCC's radio frequency emissions rules (47 C.F.R. § 1.1307 <i>et seq</i>) for Uncontrolled Exposure to members of the General Population in any area accessible by members of the General Population?	<input type="checkbox"/>	<input type="checkbox"/>

If the answer to any of the questions in Section 3 is "Yes," the project *may* be reviewed instead as an entitlement amendment by way of submittal of a completed Wireless Telecommunication Permit (WTP) application. Final determination of the review and approval process for a project rests solely with the City. The WTP application is available on the City of Cerritos website at www.cerritos.us under BUSINESSES » Planning and Building Permits.
