Volunteer Opportunities

Looking for work experience or something to add flair to your college or job application? If so, the Recreation Services Division's volunteer program is a great place to start. Opportunities exist for teens and adults to assist the City in a variety of volunteer capacities within the Recreation Services Division.

All volunteers need to be 13 years of age or older, and each volunteer must have a City of Cerritos Recreation Services Division Volunteer Application/Waiver on file, complete the fingerprinting process, and attend a volunteer orientation workshop prior to being assigned to any program or event. In addition, volunteers are required to attend two enrichment workshops a year to maintain their active status.

The Application/Waiver is available online in the Recreation section of the City's website at cerritos.gov or at any Cerritos community center. Volunteers under the age of 18 must obtain a signature from their parent or guardian. Fingerprinting is conducted by appointment only on the first Wednesday of every month, except holidays. Orientation workshops are listed below.

Pursuant to California state law, a county, city or special district shall not assign a volunteer to perform services, in a position having supervisory or disciplinary authority over a minor, if that person has been convicted of an offense specified in Public Resource Code 5164.

Registered volunteers will receive a letter with their recorded hours on a quarterly basis. Upon completion of a minimum number of service hours, volunteers will be invited to an annual volunteer recognition. The demand for volunteers, assignments, and hours vary from season to season. For more information regarding volunteer opportunities, workshops, orientations, and fingerprinting appointments, please call Heritage Park at (562) 916-8570.

Facility Information

Moon Bounce use at Cerritos Recreational Facilities

Cerritos residents are permitted to have a moon bounce at their family or neighborhood-related functions at a staffed Cerritos Recreation Facility. Moon bounces are only allowed at the following Cerritos recreational facilities, during normal operating hours: Cerritos Park East, Frontier Park, Heritage Park, Liberty Park, and Westgate Park.

Please be aware of the following policies and procedures:

Advance reservation for a shelter is required. Fees and deposits are required for all shelter reservations. There is a limited number of moon bounce areas designated at each facility. Moon bounce must be powered by a gasoline generator with enough gas to last for the duration of the reservation (maximum of six (6) hours). Moon bounces may not be plugged in to City electrical outlets.

Moon bounce may not exceed 16 ft. x 16 ft. in size. Combos, climbers, slides or water features are prohibited.

The permit holder must be present when the equipment is dropped off and must remain at the facility until the equipment is picked up by the vendor. All moon bounces must be supervised by an adult at all times.

Choose from one (1) of the vendors who have a current certificate of insurance on file with the City of Cerritos or select an alternate company.

If using an alternate company, an original certificate of insurance is required in the amount of one (1) million dollars, naming the City of Cerritos, its officers, employees, agents and volunteers as additional insured, along with an endorsement. Both documents are due at least ten (10) business days prior to the reservation date.

All moon bounce requests are subject to approval by the Facility Coordinator and Supervisor.

Please visit one of the Cerritos Community Centers – Cerritos Park East, Heritage Park, or Liberty Park – for reservation information and facility availability.

For additional information, please contact the Recreation Services Division at (562) 916-1254.
