OWNER-BUILDER DECLARATION

I hereby affirm under penalty of perjury that I am exempt from the Contractors' State License Law for the reason(s) indicated below by the checkmark(s) I have placed next to the applicable item(s) (Section 7031.5, Business and Professions Code): Any city or county that requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for the permit to file a signed statement that he or she is licensed pursuant to the provisions of the Contractors' State License Law (Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code) or that he or she is exempt from licensure and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars (\$500.)

() I, as owner of the property, or my employees with wages as their sole compensation, will do () all of or () portions of the work, and the structure is not intended or offered for sale (Section 7044, Business and Professions Code: The Contractors' State License Law does not apply to an owner of property who, through employees' or personal effort, builds or improves the property, provided that the improvements are not intended or offered for sale. If, however, the building or improvement is sold within one year of completion, the Owner-Builder will have the burden of proving that it was not built or improved for the purpose of sale.)

() I, as owner of the property, am exclusively contracting with licensed Contractors to construct the project (Section 7044, Business and Professions Code. The Contractor's State License Law does not apply to an owner of property who builds or improves thereon, and who contractors for the projects with a license Contractor pursuant to the Contractors' State License Law.)

() I am exempt from licensure under the Contractors' State License Law for the following reason:

By my signature below I acknowledge that, except for my personal residence in which I must have resided for at least one year prior to completion of the improvements covered by this permit, I cannot legally sell a structure that I have built as an owner-builder if it has not been constructed in its entirety by licensed contractors. I understand that a copy of the applicable law, Section 7044 of the Business and Professions Code, is available upon request when this application is submitted or at the following Web site: <http://www.leginfo.ca.gov/calaw.html>.

**City of Cerritos
Waste Management Plan
Part 1**

Materials from your job site can be recycled. The City of Cerritos Municipal Code requires you to recycle or reuse a minimum of 50% of your project's waste. The City has an exclusive franchise agreement with CalMet Services for construction and demolition waste removal services. By using CalMet Services, you will have met your 50% waste diversion requirement. If you self-haul materials from the jobsite, and your project is 900 square feet or greater in size, you will be required to demonstrate that you have diverted 50% of your project's waste from landfill disposal.

Step 1: Before your Project Begins: Complete this form.

- If your project is less than 900 square feet in area, check this box. You are exempt from further compliance with the City of Cerritos' C&D Debris Diversion Ordinance.

- If you will be contracting with CalMet Services for your project's waste hauling services, check this box. You are exempt from further compliance with the City of Cerritos' C&D Debris Diversion Ordinance.

- If your C&D waste will be hauled by anyone other than CalMet Services, and your project is 900 square feet or more in area, check this box. You are required to submit a Performance Security Deposit in the amount of \$.50 per square foot of project size along with this form and divert 50% of project waste from landfill disposal. Please proceed to Steps 2, 3 & 4.

Step 2: While your Project Progresses: *(self-haul projects of 900 square feet or greater only)*

Save all weight receipts and/or documentation from disposal sites including recycling centers, landfills and jobsite reuse.

Step 3: Before final inspection: *(self-haul projects of 900 square feet or greater only)*

Complete Part 2 of this form and submit receipts/documentation (original or certified photocopies) verifying that a minimum of 50% of the debris or material generated was diverted from landfill disposal.

Step 4: Deposit Returned: *(self-haul projects of 900 square feet or greater only)*

Within 30 days of submittal of final documentation, your performance security deposit will be returned. If it is determined that a minimum of 50% of C&D materials were not recycled, a prorated portion of your deposit will be returned.
